The 1st Monday of each month at 5:00pm was suggested as a day and time to schedule the regular meeting of the PDA. Billie will check with Pam Kelly of the EDC to see how that works with her calendar.

Appointing board members to fill expired terms was discussed and the following slate of names will be forwarded to the City Council for appointment:

- 1) Bunny Haugan.....2 year term from November 2007 to Nov, 2009
- 2) Ted Hatcher.....3 year term from November 2007 to Nov. 2010
- 3) Wanda Buddrius.....3 year term from November 2007 to Nov. 2010
- 4) Peter Davenport.....4 year term from November 2007 to Nov. 2011
- 5) Kathy Hoob.....4 year term from November 2007 to Nov. 2011

Billie Herron, community EDC member answered questions about how the local PDA and the county EDC interact within Lincoln county and the various things that have been accomplished in the communities as a result of this partnership.

The EDC feels that Harrington could be an attractive location for a satellite college campus/trade school site. The group would like to follow up on this idea with Pam Kelly if she will be available for the next meeting in order to provide us a little more information.

The local PDA brainstormed the following ideas for business development that could create jobs in the community:

- 1) Use the old hotel as a food service incubator with possibly over-night accommodations and a meeting room.
- 2) Develop property on the south side of the golf course.
- 3) Using the old drug store as a site to develop.

A meeting date with EDC director Pam Kelly was proposed. Billie will contact Pam to confirm a date.

The meeting closed at 6:10pm.

Respectively submitted:

Bunny Haugan, Secretary
